Subject: Application #43417 for E-12124 Administrative Change

Ryan:

Per our discussion today, E-12124 will be changed as an administrative matter and the application for change will not be docketed as a modification. I have updated the VAX records to show that the application has not passed pre-eval for docketing and that the file is returned from DHM-20 to DHM-30. A copy of this memo is attached to the file being returned to your office.

Thanks
